

Together again

This year, because of health crisis, the pupils have had very few convivial moments to share, too few moments of games, of exchange of knowledge, of sports, cultural, artistic and linguistic practices.

Why not make up for this lost time? Why not live for a few days these precious moments that allow us to blossom in contact with others through common activities?

We suggest that your children take part in our summer camp "Together again" which will take place from 4 to 10 July.

Do you dream of conviviality, emulation, collective creations and the beaches of Halkidiki?

This camp is for children aged 7 to 15 (CE1 - Troisième) and will take place at the Armenisti campsite in Halkidiki.

It will be supervised by six teachers/leaders from the school - with the help of the school management. Many activities (sport, art, culture) will be offered.

It will also be a place to practise the French language in a context other than school and thus to enrich one's language skills while having fun in a magnificent setting.

A typical day

- Get up/toilet and breakfast together;
- Workshops (3 different workshops offered: dance, theatre, mime) in preparation for the big evening show on Friday;

These tents are located in a dedicated area reserved for them and the staff.

Security & supervision

The supervisory team ensures the animation and supervision of the children day and night for the duration of the stay.

Swimming at the beach is supervised by the activity leaders and a lifeguard.

Finally, in case of an emergency, there is a medical centre nearby within the domain.
